CODENAME : Aurum

-----

AURUM BY DEFAULT TAKES THE APPEARANCE OF A GLOWING GOLD HUMANOID ENTITY. HOWEVER AURUM HAS SHOWN THE ABILITY TO INHABIT THE BODY OF OR POSSESS OTHER BEINGS, AND WILL TAKE A FORM AKIN TO ITS VESSEL GIVEN TIME.

AURUM WILL MAINTAIN MOST OF THE SAME MEMORIES AS ITS VESSEL, BUT WILL SLOWLY FORGET LESS RELEVANT DETAILS UPON BEING SEPARATED. LACK OF OUTSIDE INFLUENCE APPEARS TO ALLOW MEMORIES OBTAINED WHILE INHABITING ANOTHER BEING TO LINGER FOR LONGER.

AURUM IN ITS DEFAULT STATE IS RELATIVELY VULNERABLE. WHILE POSSESSING ANOTHER BEING AURUM HAS SHOWN THE POWER TO 1. SUMMON ITEMS 2. SUMMON MOBS 3. SMITE TARGETS 4. FLY, 5. HAVE DRASTICALLY INCREASED ENDURANCE. SUBJECTS HAVE BEEN SHOWN TO HAVE NO RECOLLECT OF EVENTS THAT TRANSPIRE WHILE UNDER THE CONTROL OF AURUM.

AURUM'S ABILITY TO CONTROL ITS INHABITED BODY CAN BE QUELLED IF ITS HOST CONSUMES OR MAKES CONTACT WITH SUGAR IN HIGH DOSAGES. AURUM SEEMS TO BE HURT AND REPELLED BY SUGAR.

EVIDENCE POINTS TO AURUM'S POWER BEING ABLE TO BE UTILIZED BY ITS VESSEL, IF BOTH :

1. THE HOST HAS MADE CONTACT OR CONSUMED LARGE AMOUNTS OF SUGAR
2. THE HOST AND AURUM HAVE THE SAME INTENTIONS

HOWEVER MORE TESTING IS REQUIRED FOR THIS THEORY TO BE PROVEN CORRECT.
